

Senior Portraits - Frequent Questions

ALL IN THE PICTURE
PHOTOGRAPHY & DESIGN
WWW.ALLINTHEPICTURE.COM

How does this work?

If you like what you see, give us a call at 503-628-0600, or email info@allinthepicture.com to ask questions and schedule an appointment. We have a state of the art studio, with lots of land and great settings so you can have the best indoor and outdoor pictures with variety to choose from. Select & schedule your favorite Portrait Option, and after your fun portrait session, we will have you come back to view your images on a movie screen. With our help, you select your favorites for your Senior Folio, Gift Prints, Coffee Table Book - your choice!

What Portrait Option should I choose?

The Portrait Options offer different length sessions & location options. The choice depends on you. If you have a large family to give pictures to, one of the collections will get you more prints at a lower rate. If you only want to have a few pictures, or are on a tighter budget, you can choose one of the smaller session options. For those who want a really unique experience, we offer some options to let you start at our studio then tour the city or area for some unusual backdrops. These experiences include more prints and a Unique Senior DVD.

What kinds of prints can I get?

Most people choose a collection that appeals to them, and includes some of the basic pictures they are looking for. At the Presentation Session, they might add other prints, a Memory DVD, or CD. Gift Prints are perfect for grandparents, parents' desks, and other relatives - your choice of 5x7 or 8x10. A Bookcase Print is ideal for display on a mantle or table. Wall Prints range from a more petite 16x20 to sizes perfect for over a sofa or love seat. We offer canvas prints and framing as an option. We show samples & help with your selections.

What should I bring?

You can bring as many outfits as you want, limited only by time. For a typical session, seniors will bring 3 or 4 changes of clothing. For the longer events, more variety is even better. You can also bring personal stuff that reflects who you are, like sports gear, uniforms, your car, even a pet or a friend. Celebrate being a senior in your own style - make it as all-out or low-key as you want! We can help with any questions you might have.

What else do I need to do?

Come in for your appointment, relax and have some fun! Bring in some of your favorite magazine ads, tell us your favorite images on our website, anything that will make your portraits what you envision. Bring in the instructions from your high school if you have them. When we present your pictures, we will help you narrow them down. We can show you color vs. black and white, help compare favorites, and make the selection easy.
